## **About Premium Instruments**

Premium Instruments has been producing the highest quality state of the art instruments since 1978. Our mandate strives for excellence in production, delivery and service of our product. Premium Instruments is dedicated to the production of the highest quality individually handcrafted instruments, in the industry. Our product is renowned over the world for uncompromising quality of precision, durability and reliability. German forged instruments are finely and meticulously handcrafted by artisans in our state of the art manufacturing facility. With our robust and efficient production process we are able to provide our customers with excellent product in time to meet their demand.

## **The Leader In Quality And Excellent Value**

Premium Instruments is very proud of its products and confident that all instruments are manufactured with the utmost precision, high standards & quality, All of our stainless steel instruments are surgical grade, therefore, they can be chemically sterilized and are autoclave able without fear of damage. Premium Instruments stands behind every instrument produced and distributed.

## **Custom Manufacturer and Private Labelling**

As a manufacturer we have the ability to custom manufacture and private label any of our products. A variety of finishes are available. Some of our more common finishes include: sand blasted (matte), polished (mirror), electroplated (gold), black oxidized, anodized and satin. Custom orders are available to suit the customer's preference. Please contact with your requirements and we will be happy to meet your design needs.

## **Guarantee**

Our instruments come with 3 Year warranty provided that the instrument is used for its intended purpose. We will replace the defect instrument without charge. Our quality control inspectors carefully examine every instrument. No instrument is shipped unless it meets our stringent quality standards. Our high reputation in terms of design, quality and competitive price is well recognized in the industry. Our endeavor is to meet all expectations of the customer. Our customers are very satisfied.

## **Free Shipping**

We offer free shipping in USA. We provides same day shipment for orders received before 1:00 pm. All goods are packaged carefully. In the unlikely event that goods arrive in substandard condition please report this condition to the delivering carrier immediately and to Premium Instruments concurrently

## **Return Policy**

You can return your product within 45 days with original packing and copy of purchase receipt. We will credit your account as soon as we receive the product back.
